Could all parents/carers please return completed medical forms (signed by Doctor if required) to Ali Knowles, our School Nurse, as soon as possible.

‘Never worry about the size of your Christmas tree.
In the eyes of children, they are all 30 feet tall.’

Larry Wilde, The Merry Book of Christmas
LAST MINUTE NEWS

School Council met for the final time this year last night. It has been another busy and productive year for council and I personally want to thank each of its members for the time and energy they contribute to making Belmore School Council what it is. A lot of time goes into not only attending meetings but preparing for them and contributing to various working groups outside school council. Some of the big things that have been achieved this year include the signing off on the building works, the new Yooralla agreement, approval of the new school website and a review of all the school policies, to name a few. The final version of the school policies was finalized last night and will be now uploaded to the school website in the near future. It is our intent that what we do at council is transparent to the school community and plan to use the website as the forum for disseminating information that might be useful to you all. Each time we meet we debate, brainstorm, plan, strategize and debate again what we think would be in the best interests of the school community. We do this on every single item we put on an agenda. As a parent it is always with the intent that I am representing your voice so please if you feel you want to feedback in anyway don’t hesitate to contact myself or any of the other council members. On that note on behalf of school council I would like to wish you all a happy, safe and healthy Christmas. May we all return in February feeling refreshed and ready to take on 2011.

Lisa Evans
School Council President
