Parent Meetings
Thank you for your participation in your child’s Program Support Group meeting. Thanks also to those parents of students transitioning to the Senior Department who have taken part in “mapping” an action plan for your child’s future. A great success!

ride@schoolday
This was our version of the National ride 2 school day. Students completed lots of laps of the school in bikes, walking frames and wheelchairs—clockwise!
Hello everyone,
Yooralla, together with Annecto and Melbourne City Mission, is holding two information forums on the NDIS - Thursday 7 April and Thursday 14 April.
This is a chance to hear about the Productivity Commission’s draft report, ask questions and find out what’s next for a NDIS.

**National Disability Insurance Scheme**
Yooralla has joined the campaign for a fair go for all Australians with a disability.
For more information about how you can become involved visit [http://www.ndis.org.au](http://www.ndis.org.au)

**Website. We need your help!**
We will be adding some fundraising pages to our website soon. We would also like volunteers to help with a collection tin strategy. If you could put out a tin in some shops close to you and collect them after 3 months please let me know. You would really assist the school.
